

Sicilian Dominations

*Our story embraces centuries of history,
ingredients and recipes that have formed
the layers of this island at the center of the Mediterranean.
A voyage through time and space, that is rooted
in tradition while looking ahead towards the future.*

In order to guarantee the gastronomic experience, we recommend not making too many changes to the menu, love us for a day.

We using natural products, it may happen that you find small insects in our preparations, we do our best to minimize these eventualities.

As a matter of sustainability, our porcelains live a second life.
